

[illegible]

This image is a handwriting practice sheet. It consists of two columns of rows. Each row is defined by three horizontal dotted lines. Inside each row, there are six dashed circles for tracing. The first column contains 10 full rows, each with 6 circles, totaling 60 circles. The second column also contains 10 rows, but the last row is incomplete, showing only 2 circles. Therefore, the second column has 96 circles in total.
